## **Prioritizes Multiple Tasks**

**This means that in the workplace:**

-  **You may be asked to do more than one task at a time.**
-  **Employers expect tasks to be completed in order of importance.**
-  **When you have more than one task to do at the same time, you will have to decide which to do first unless you are directed by your supervisor.**
-  **When you prioritize multiple tasks, you have an essential career soft skill.**

# Time Management

## Understands Sequence

**This means that in the workplace:**

- **Some assigned tasks have more than one step.**
- **The order in which steps are completed is important to:**
  - **Produce high quality work.**
  - **Save time.**
  - **Reduce the number of mistakes.**
- **When you understand sequence, you have an essential career soft skill.**

# Time Management

## Schedules Adequate Time to Complete Tasks

**This means that in the workplace:**

- **It is important to know due dates of tasks.**
- **Understanding tasks helps you decide how long it will take to complete them.**
- **Developing a plan helps you complete all tasks on time. A plan includes:**
  - **Due date(s).**
  - **Amount of time needed to complete work.**
  - **Order or sequence.**

# Time Management

## Schedules Adequate Time to Complete Tasks continued

**This means that in the workplace:**

- **You may have to change your plan if:**
  - **One or more due dates change.**
  - **It takes more or less time than expected to complete a task.**
  - **Your supervisor changes priorities.**
- **When you schedule adequate time to complete tasks, you have an essential career soft skill.**

# Time Management

## Completes Task Within the Allotted Time

**This means that in the workplace:**

- **Due dates are important.**
- **Planning your time and the steps needed to complete your work helps finish the task on time.**
- **Working your plan prevents problems with your supervisor/coworkers. It also improves the quality of your work.**
- **When you complete the task within the allotted time, you have an essential career soft skill.**

# Time Management

## Adjusts Schedules to Meet Changing Priorities

This means that in the workplace:

- Supervisors and customers can cause changes in priorities.
- Unexpected events may occur and affect your daily schedule. Allow time for these delays so that tasks will be completed by their due date(s).
- Be flexible and accept change in work priorities without complaint.
- When you adjust your schedule to meet changing priorities, you have an essential career soft skill.

# Time Management

**Seeks an Alternative Plan When Work  
Will Not be Completed on Time**

**This means that in the workplace:**

- **Completing a task on time is important to your supervisor.**
- **Problems that may delay completing a task on time should be brought to the attention of your supervisor or team leader.**

# Time Management

**Seeks an Alternative Plan When Work Will Not be Completed on Time continued**

- Working extra hours, even if you do not get paid, can provide the time you need to complete the task on time.
- When you seek an alternative plan when work will not be completed on time, you have an essential career soft skill.
